Information Disclosure Statement

The information disclosure statement (IDS) submitted on 09/21/06 and 10/02/06 were filed before the first action on the merits of the case. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The prior art teaches controlling one or more process conditions affecting a semiconductor process system. However, the prior art fails to teach, either in combination or alone, a process controller arranged to receive the output of a thermopile detector and to responsively control one or more process conditions in and/or affecting the semiconductor process system, wherein the infrared radiation source comprises an infrared radiation lamp.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Claims #6 through 10 are allowed.

Art Unit: 2812

Claim #6

- A process controller arranged to receive the output of the thermopile detector and to responsively control one or more process conditions in and/or affecting the semiconductor process system, wherein the infrared radiation source comprises an infrared radiation lamp.
